The Chapter needs someone to act as interim secretary until the elected board member returns from a deployment. ## 3. Announcements/Business:

- Donna Mattingly was thanked for auditing the chapter's financial records.
- Misty Bowers, Treasurer, gave the fundraiser results and a treasurer's report.
  - Fundraisers:
    - \$35 from Pampered Chef
    - \$185 from Flea Market
  - Treasurer's Report:
    - \$919.46 in Checking and \$608.37 in Savings. Total: \$1,527.83.
    - When reviewing the books, Misty noted that a \$500 scholarship check had cleared the account two times. She worked with the Arkansas Federal Credit Unit to get that amount credited back to the account.
- Everyone received a ticket that made him or her eligible for a drawing. Donna Mattingly held the winning ticket that means that ASMC will pay for her lunch at the next chapter meeting. This drawing will be done at future meetings.

- Nicole thanked the members for supporting the fundraisers and discussed the next money-making project. On 3 November 2007, ASMC will sell beverages from 0900-1400 at the Spouses Club's craft bazaar. Let Nicole of Misty (extension 7-7060 or [misty.bowers@littlerock.af.mil](mailto:misty.bowers@littlerock.af.mil)) know which 2 hour shift you'll be able to work.
- Plan to attend the 7 December 2007 holiday social at Murry's Dinner Theater (<http://www.murrysdinnerplayhouse.com/>). Cost is \$23/per member and guest to see Love, Sex, and the IRS (Buffet Dinner 6:00–7:35PM; Show - 7:45PM). We must give Murry's a final attendance count on 15 November. If you plan to attend, please pay Misty at the next chapter meeting (15 November, Pizza Hut in Jacksonville, 1100).
- Nicole thanked Donna Mattingly for her work on the newsletter. You can get a copy of the newsletter at the chapter website (<http://www.orgsites.com/ar/asmc-razorback/index.html>). Please provide Donna information for the next newsletters--suggestions of what to include, article that you've written that would be of interest to the membership, etc.
- Asked for volunteers to coordinate the upcoming community events.
  - Food Pantry: Bring nonperishable goods (soups, pasta, spaghetti sauce, peanut butter, jelly, vegetables, etc.) to the 15 November meeting. With Thanksgiving coming up, consider donating things suitable for a holiday meal (stuffing mix, cranberries, pumpkin pie filling, etc.). We'll take your donations to the Food Pantry at the Family Support Center where airmen can pick up these items to help feed their families. Those donating items will get two tickets for the chance to have their lunch paid for at the December meeting.
  - Angel Tree: More information to follow, but we plan to participate in this chapel-sponsored event.
  - Crossroad's Café: We're scheduled to provide chili/soup for the January 2008 dinner at the Crossroad's Café. Please plan to volunteer and support this worthwhile community service project.
