On October 21, 2008 ASMC will hold an audio conference on “Current Issues in Fiscal Law”. The conference will be live and interactive and you will earn CPE credits. Our presenter will be Mr. Keith Dunn, Counsel to the Navy Surgeon General and a senior lecturer on fiscal law issues. The session will start at 2 pm Eastern and will last about 90 minutes. The audio conference will address major fiscal law issues arising out of the Fiscal Year 2009 Authorization and Appropriation Acts. Topics may also include such issues as food at conferences and events, bottled water, conference fees, commanders’ coins, the ever-popular trinkets, and more.

Jennifer Nolan did the paperwork for us to listen to this. It will be in the DE Conference Room in the Federal Building (700 W. Capital). We could meet for lunch at a local BBQ joint, the Capital Smokehouse at 915 W Capital (used to be Mr. Mason’s BBQ). Contact Janet if you would like more information.
