Hello Parents,

---

Welcome to the beginning of another exciting year at Buena Vista Elementary School. On behalf of the PTA this year, I invite you to help us make a difference. We encourage parents, guardians, grandparents, other relatives, teachers and staff to join the PTA and get involved. It greatly benefits our school when you volunteer, but most of all, it benefits you and your children.

It's important that we continue with our annual fundraising; at this time we are planning on a Fall catalog and Fun run to only name a few. We welcome any assistance and ask that you support your children in this year's fundraisers; as it is up to all of us to determine how many wonderful services that we can provide.

Buena Vista PTA would like to remind you about our "free money" to Buena Vista School Programs. They are escrip and box tops.

There are two Book fairs scheduled this year, one in the Fall and the other in the Spring. The book fairs help to promote reading and the children love it!

The Harvest Carnival will be held Saturday, October 24. Volunteers are needed for set up, ticket sales, game booths and food booths. The children enjoy this event very much! Once again we will have each classroom coordinate a specific theme basket for the silent auction at the carnival.

We are excited about bring back the Telephone/E-mail Directory. The directory is intended for the use of Buena Vista families for personal use only.

I encourage your student to participate in the Reflections Program. This year's theme is "Beauty is....." This is your child's time to be creative and show off their talent in art. Entries will be accepted in photography, visual arts, dance choreography, film production and musical composition. Workshop dates and entry deadline will be provided at a later date

General Association Meeting will be 23 September at 7:00 P.M. in the Buena Vista Multi-Purpose Room. Hope to see you there!

Our Buena Vista PTA welcomes suggestions and happy to answer questions or address any concerns you may have. If you like to volunteer for any of the school events; please contact us. If you have any questions or concerns, please contact me at 733-4448. Thank you in advance for your support!
