

Righetti High School PTSA

Welcome to Righetti High School PTSA! For over **50 years**, the Righetti High School PTSA has provided valuable support, services and programs to the students and teachers of Righetti High School. To continue this tradition, we need your support. Please become a RHS PTSA member and join the nearly 6 million members nationwide who advocate for youth in America. Parents, staff, and students are all eligible to be members of the PTSA. Please also consider making a tax deductible donation to the RHS PTSA to support the programs and activities such as Reflections, Senior Scholarships, school beautification, school assemblies, hospitality and so much more. Lastly, let us know if you are able to volunteer to help. Go Warriors!
