Beat the Clock

To Build Membership

May 1 – June 30

We are coming down to the wire. It's time to add those last few members to bring your club up to 20 members, or increase membership by at least 5 since July 1, 2007.

The Rules

Add 5 new, dual or reinstated members to your club between May 1 and June 30*.

The Rewards

- *Beat the Clock* ribbon for the club banner
- Your choice of a module from:
 - Leadership Excellence Series
 - Better Speaker Series
 - Successful Club Series
- \$25 gift certificate from Toastmasters International

How to Enter

You already have! Your club is **automatically registered** every time a new member submits an application to join your club.

* Dual members belong to multiple clubs. Reinstated members are former Toastmasters who have rejoined. Transfer (changing clubs) and charter (new club) members do not count toward this goal.

All membership applications and payments must be received by Toastmasters International World Headquarters no later than **5:00 p.m., June 30**, in order to be fully credited toward the *Beat the Clock* award.

Submit online for fastest processing!
