

Support Ponderosa Sober Grad Night by signing up for the Nugget Market & Food 4 Less reusable scrip card

Introducing Nugget Markets' Scrip card! The Scrip cards are free, replace our Scrip checks, and make it easier for your organization to earn the same 3% rewards.

These plastic, reusable cards are similar to ATM cards. The first purchase determines their initial value, and each card can be reloaded. All forms of payment, including ATM, checks, credit cards and cash may be used to load the card at any Nugget Market store and one of the following three **Food 4 Less** locations: **Cameron Park** (3333 Coach Lane), **Vallejo** (5184 Sonoma Blvd.), and **Woodland** (451 Pioneer Ave).

Up to four beneficiaries can be attached to a Scrip card. Once a card has been loaded, it is used like an ATM card for grocery purchases. Every month, Nugget Markets will issue a check to the beneficiary organizations equal to 3% of all amounts loaded during the month. If requested, we can also send you a list of your contributors.

For example, assume that during one month, Jane Doe loaded her Scrip card with \$100 and designated **Ponderosa HS Sober Grad Night** as her only beneficiary. At the month's end, **Ponderosa HS Sober Grad Night** would receive a check for \$3 from Nugget Markets on behalf of contributor Jane Doe.

This program is very simple. The wallet-sized Scrip cards allow for much easier checkouts after shopping trips – no more waiting for Scrip checks to process. There are no hidden costs and no minimum purchase requirements.

Members can fill out applications and turn them in to checkers at any Nugget Market or Food 4 Less listed above.

The card is then ready to be loaded with money – remember: the card must be loaded before it can be used to purchase groceries at any of our locations.

Request your card and application on the **Ponderosa HS Sober Grad Night** website <http://bruin.eduhsd.k12.ca.us> (click on Sober Grad Night Information) or email us at phssobergradnight@gmail.com.
