INTRO: lines 8 & 9 (italicized)

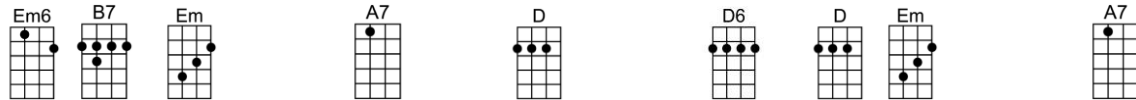

Haul out the holly. Put up the tree be-fore my spirit falls again.

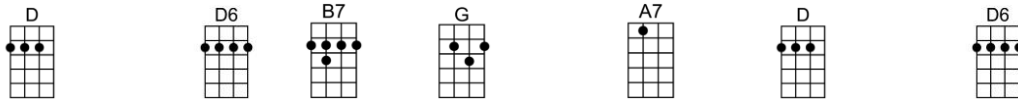

Fill up the stock-ing. I may be rushing things, but deck the halls again now.

8 4

For We Need A Little Christmas, right this very minute, candles in the window,

2 2

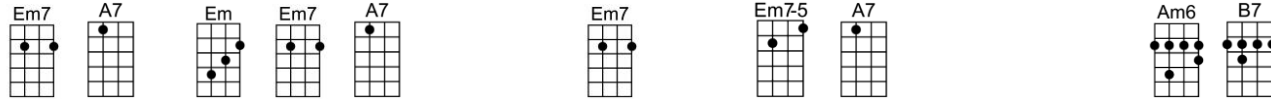

Carols at the Spinet, yes, We Need A Little Christmas right this very minute.

It hasn't snowed a single flurry but Santa, dear, we're in a hurry.

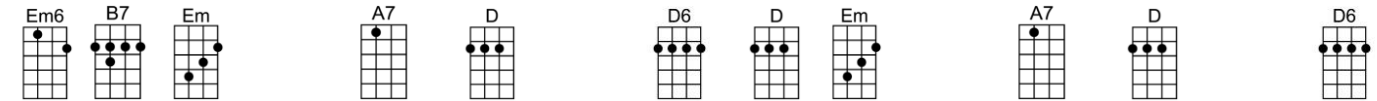

So, climb down the chimney, turn on the brightest string of lights I've ever seen.

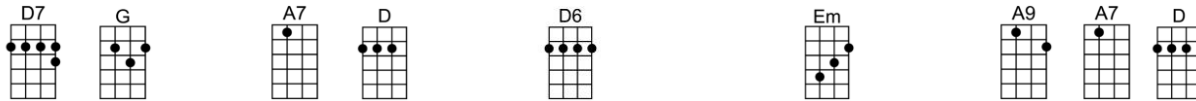

Slice up the fruit - cake, it's time we hung some tinsel on that evergreen bough.

8 4

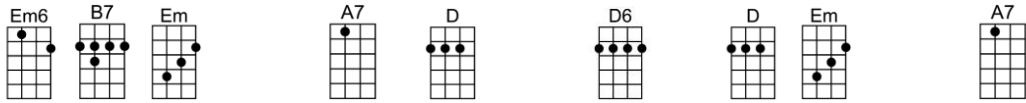

For I've grown a little leaner, grown a little colder, grown a little sadder, grown a little older

2 2

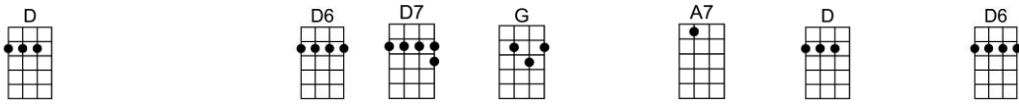

And I need a little angel sitting on my shoulder, and We Need A Little Christ-mas now!

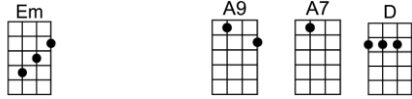

Page 2. "We Need a Little Christmas"

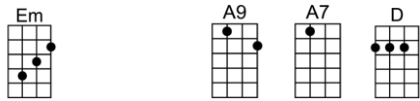

For we need a little music, need a little laughter, need a little singing
 2 2

Ringin' through the rafter, and we need a little snappy, "happy ever after,"

Need A Little Christ-mas now!

Need A Little Christ-mas now!
