INTRO: lines 8 & 9 (italicized)

Haul out the holly. Put up the tree be-fore my spirit falls again.

Fill up the stock- ing. I may be rushing things, but deck the halls again now.

8 4

For We Need A Little Christmas, right this very minute, candles in the window,

2 2

Carols at the Spinet. Yes, We Need A Little Christmas right this very minute.

It hasn't snowed a single flurry but Santa, dear, we're in a hurry.

So, climb down the chimney, turn on the brightest string of lights I've ev - er seen.

Slice up the fruit - cake, it's time we hung some tinsel on that evergreen bough.

8 4

For I've grown a little leaner, grown a little colder, grown a little sadder, grown a little older

2 2

And I need a little angel sitting on my shoulder, and We Need A Little Christ-mas now!

Page 2. "We Need a Little Christmas"

For we need a little music, need a little laughter, need a little singing

2 2

Ringin' through the rafter, and we need a little snappy, "happy ever after,"

Need A Little Christ-mas now!

Need A Little Christ-mas now!
