

Mother's Day Flower Sale

"support your local school and bless your mother all at once"

This year's Mother's Day Flower Sale will have 4" pots or ¼ flats (6-packs) available for pre-order. Each item will be \$5.00. We will provide flowers that are blooming by Mother's Day, most likely beautiful Marigolds, Geraniums, Impatiens and Petunias.

Please place your pre-order so that we have an idea of how many flowers to order. The flowers will be handed out on Friday, May 11th. The students in each class will have a chance to come down and pick out their own flowers.

Please pre-order if you can. However, if you cannot, or forget, you can still send money with your child on Friday, May 11th. As long as we have flowers, they will be able to pick some up that day.

BUT WAIT! THAT'S NOT ALL! The flowers are provided by The Plant Factory across from Hi-Ho Hotel on Black Rock Turnpike. They have been great to work with, and they have even created a special coupon for the McKinley Family. Please check out their web-site: www.plantfactorygardencenter.com.

For any questions, call Inger at 334-2850 or Lori at 522-5339.
