Meeting Notes:

Pointsettia plants are available for pick up at Baker Nurseries at 1700 Mountain Road during normal business hours. Please pick up your plants this week!

Bell Ringer positions are still available on Sunday Dec 21. Please sign up to fill the time slots. Reminders will be sent out to remind you of your commitment.

The Board of Directors met after the meeting to discuss a proposal made by Dale Baker to increase sales at next year's Chicken Barbeque. The Board has endorsed Dale's proposal to increase from 800 to 1000 half chickens. In the event of a bad forecast, it is felt that a final adjustment can be made to the forecasted weather. In addition, Dale has offered to furnish an enclosure to increase the capacity to cook and sell hamburgers and hot dogs. The Board also agreed to examine the efforts to help an expanded pool of residents beyond the student scholarships. This effort will be determined by the funds available and requests for aid received by the club.

Our program tonight was the Student of the Month presentation by Christine Hoffacker. Matthew Connelly was introduced as an outgoing accomplished student athlete who is involved in his school community in many ways. Matt has applied for early admission to American University to study in political science.

Matt has served the community through his efforts as the voice of the Suffield Athletic Hall of Fame for the past two years. His naration of the induction program provides a crisp, professional presentation of the inductees. Matt reports that his involvement in this project has demonstrated that our town is a place that is supportive of its citizens and their achievements.

Matt has been the captain of the varsity soccer team in both his Junior and Senior seasons. Congratulations to Matt in his selection of the December Student of the Month.

Meeting Notes:

The Bell Ringers are reminded that next weekend is the big weekend. We will be ringing the Bell to raise funds for the Suffield Emergency Aid Association and the Salvation Army on Saturday and Sunday. Please make sure that you are ready to go at the time that you signed up. You will be paired up with an interact student and another Rotarian. This should be a fun weekend and a great opportunity to be visible to the community. Dress Warm, bring a big smile and of course a bell!

Tom Jones reported that the Youth Exchange program is underway. Twelve students have requested application information and 2 applications are already in. Tom Jones, Ed Garvey, Jim Wood and Kevin Goff will serve on the interview committee to make the selections of the students for the program.

Our program tonight was a professional signing lesson from President Dan Kehoe. My Country Tis of Thee has never been put through it's paces as it was tonight. In four part harmony, we learned of the intricacies of making a song sound good. While Dan did his part in getting us to sing in Soprano, Alto, Tenor and Bass, This observer had a tough time staying on any one level that was started. By the end of the night, we did a much better job!

It is coming to the time when we must begin to fill positions for the upcoming year in our club. Soon we will be holding elections for the positions of Secretary, Vice-President and President. If you feel compelled to serve, please let your intentions be known to President Dan Kehoe. As you know, Jim Wood has agreed to finish this year as Vice-President. We have several options to fill the chairs for next year but you should know that your opportunity to serve is at hand!

Meeting Notes:

Oh what a night! Our thanks go out to Tom Sullivan for his work in organizing this year's Merry Christmas Party with family and friends. Good food, music and enthusiasm were shared by all. We enjoyed dinner music, dancing music and of course a sing-a-long led by Tom Sullivan. The highlight of the night was the Twelve Days of Christmas led by Chris Carmon. Not only did Chris know all of the words to the song, but she was able to round up a table for each day of Christmas and "ran" to each table at the pace of the song. Nice job Chris!

The induction of Paul Pace is in a holding pattern for one more week! Hopefully, Bill Malec will be available next week and Paul will become "official"!

Meeting Notes:

Thank You to all who volunteered to ring the Bell over the past weekend. It is nice to work together with the Suffield High School Interact Students. We have not yet heard about the results of the collection but it seems that the kettle was getting harder and harder to squeeze money in at the end of the day on Sunday. We are fortunate to live in a community that cares for our neighbors.

We received a thank you note from Tom O'Brien for the donation of \$100 toward his Boy Scout Eagle Project. Tom will keep us informed about his progress on the singage that he is producing at Sunrise Park.

We also received a Thank You note from Lev and Pattie Ahrens thanking us for the anniversary flowers.

A motion was made and passed unanimously to support the recommendation of two exchange students next year. Nora Parsons and Chris Kwiat have been recommended to the district review board. Nora has applied and requested to exchange with students in Spain, Belgium, France, Germany and Italy while Chris would like to spend the year in either Chile, Brazil, Equador, to immerse himself in a spanish speaking country. These two young people are well equiped to take on this rigorous challenge. They will represent us well. The cost to the Club will be \$660 for each student and \$100 for each visiting student who may come from another country.

It appeared that the only ones who were concerned about the program were the parents of the students. Their concerns about travel in the world today were alayed when they learned that Rotarians would be looking after the students.

We will hear from the District over the next several weeks. Tom Jones will follow the students through the process. He is to be congratulated for bringing this opportunity to the club and to the students.

Meeting Notes:

Happy New Year to All! May 2004 bring you peace and good health.

The final tally is still being confirmed but early indications are that the club raised over \$600.00 on behalf of the Salvation Army and the Emergency Aid Association. Thank You to all of the Bell Ringers and the Suffield High School Interact Club for your enthusiastic participation.

Welcome to Paul Pace after his induction to our club at last week's meeting. Paul comes to us from Bill Malec and will be a strong addition to our club.

The High School has confirmed the nomination of Nora Parsons and Christopher Kwiat as exchange students for next year. Their nominations have been forwarded to the District for the next round of interviews. If successful, these two students will spend Aug 2004 to June 2005 overseas with a host family.

The business portion of the meeting focused on the selection of nominees for officers for next year. A nomination committee will meet to endorse a slate for the 2004-05 Rotary year beginning in July 2004. Dan Kehoe has agreed to serve an additional year as president to allow Kevin Goff to move into the Vice President's position and will allow a new person to fill in as Secretary. This format, if approved, will allow the "chairs" to get back in order and will allow a normal progression. We will need to report to the district in the next few weeks so that information can be printed in the district directory.

Tom Modzelesky has stepped up to take on the duties of the club newsletter in the near future. While that has been a great experience to keep the club information in order, it is a position that should be shared. Thank You Tom for your help.
