## BRIDGE

[: In that small ca-fé; the park across the way,

The children's ca-rousel, the chestnut trees, the wish - ing well.

I'll be seeing you in every lovely summer's day

In every-thing that's light and gay, I'll always think of you that way.

I'll find you in the morning sun and when the night is new.

1. I'll be looking at the moon, but I'll be seeing you. :]

2. I'll be looking at the moon, but I'll be seeing you.
