Did you say, "I've got a lot to learn?" Well, don't think I'm trying not to learn

Since this is the perfect spot to learn..... teach me to-night.

Starting with the "A, B, C" of it, right down to the "X, Y, Z" of it.

Help me solve the myster - y of it..... teach me to-night.

The sky's a blackboard high a-bove you, if a shooting star goes by

I'll use that star to write I love you, a thousand times a-cross the sky.

One thing isn't very clear, my love.... should the teacher stand so near, my love,

Grad - u - a - tion's almost here, my love.... teach me to-night.
