

WHEN THE MOON COMES OVER THE MOUNTAIN

W/M Kate Smith, Harry Woods & Howard Johnson

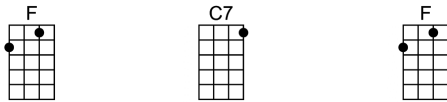

1931

$\frac{3}{4}$ 123 123

INTRO:

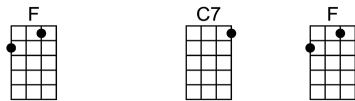

[: When The Moon Comes Over The Mountain,

Every beam brings a dream, dear, of you.

Once A-gain we stroll 'neath the mountain,

Thru' that rose covered valley we knew.

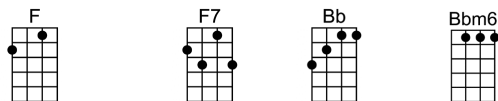

CHORUS:

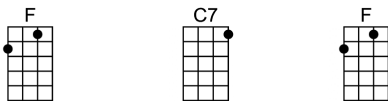

Each day is gray and dreary

But the night is bright and cheery

When The Moon Comes Over The Mountain,

I'm a-lone with my mem'ries of you. :]
