Personal Essay

Dear Host Family:

It's my pleasure to have this opportunity to give a brief introduction of myself. I'm 16 and quite a tall girl at my age, standing at 1.75 m. I'm an optimist and I'm easygoing and always willing to help others. I don't talk much but I'm friendly so I'm a good listener. That's why I'm not talkative though I'm outgoing but sometimes I'm shy. I can get along well with others and I'm flexible, and I'm able to adapt to different situations and conditions very fast.

As I'm the youngest in my family, I'm always with my granny. She's getting old now, so I often do house chores, though we've a maid on an hourly basis. My family and I usually have dinner together at home. We eat out too, perhaps, once a week.

I'm now studying at Guangzhou Arts School, doing traditional dance and music. I'm not cut to be an academic so I'm not very good at languages. My maths is OK. I'm good at my major, I can dance well and I can do acrobatic acts and the split well. I get along well with others in school too, I'm quite active in school. I took part in many activities organised by our school, such as performing in concerts. We were invited to perform in Singapore last year.

In my leisure, I surf the internet for information or watch movies online, I like to go singing and I swim as well. Singing is one of my best hobbies. I find it entertaining and relaxing. Swimming is also ^{one} of my best. Not only it can keep me healthy, but

it also helps me to sleep well at night after a good swim in the afternoon.

Finally, I'm not very ambitious, but I really wish I can travel around the world one day before settling down to set up my own business. Although I don't have a good flair for languages, but I'm sure I can pick up many foreign languages through travelling. I'll have better understanding of different culture as well. I'm sure I'm going to have a good time with you, my host family. We can share and learn of our different culture.

I'm looking forward with anticipation to be with you in the states.
