One of the most unspoiled semiprivate golf courses in Brevard County, The Majors Golf Club was designed by Arnold Palmer through and around lakes, creeks, preservation areas and natural wetlands. The Majors has rolling hills and trees reminiscent of the Carolinas. The greens roll silky smooth. You'll know you're near the beach, the white sugar sand traps are perfect. Come join us for a day of fun and a memorable round of golf. Then step into "Arnie's at the Majors" for lunch and a tasty beverage afterwards!
