KEN MILLIGAN
Volunteer

We are indebted to **KEN MILLIGAN**, Childhelp Volunteer and Golf Merit Managing Partner-Sales, our guest speaker last week, June 19, for the summary of his remarks available on his website, www.Ken.GolfMerit.com.

Founded in 1959 by **SARA O'MEARA** and **YVONNE FEDDERSON**, Childhelp® is a leading national non-profit organization dedicated to helping victims of child abuse and neglect. Childhelp's approach focuses on prevention, intervention and treatment. The Childhelp® National Child Abuse Hotline, 1-800-4-A-CHILD, operates 24 hours a day, seven days a week, and receives calls from throughout the United States, Canada, the U.S. Virgin Island, Puerto Rico and Guam.

Childhelp's programs and services also include residential treatment services (villages); children's advocacy centers; therapeutic foster care; group homes; child abuse prevention, education and training; and the National Day of Hope®, part of National Child Abuse Prevention Month every April. Several of Childhelp's programs were firsts and continue to be studied by professionals worldwide as "models that work." **SARA O'MEARA** and **YVONNE FEDDERSON** continue to actively lead the organization and provide its vision, serving as Chairman/CEO and President, respectively.

MISSION STATEMENT:

Childhelp exists to meet the physical, emotional, educational and spiritual needs of abused and neglected children. We do so by focusing our efforts in the areas of treatment, prevention and research.

CHILDHELP, continued - PHILOSOPHY:

Childhelp credits its success to its founders' visionary beliefs, which are the heart of the organization:

Childhelp believes that every child has a unique contribution to make to the world. We do everything within our power to help each child heal and develop self-esteem to reach their God-given potential.

We believe unconditional love is the

foundation upon which all healing begins. The entrance of each Childhelp facility features the words "All Who Enter Here Will Find Love."

These children, who have seen the worst that life has to offer, deserve the best that we can provide while they are in the care of Childhelp.

Childhelp programs and services are

designed to help children from any situation and let them experience the life they deserve-one filled with love.

The principal theme is to provide these children with an environment of love and kindness and with the best possible treatment services so they will see how special they truly are.
