CARLA J. MATTERN
 Director of Resource Development

"CARLA MATTERN,
 Resource Development Director for the Boys & Girls Clubs of the Suncoast was our speaker on Tuesday, September 16, 2008. **CARLA** has only worked directly with BGCS for a short time, but was very involved with them while serving as the Development Director for United Way of Tampa Bay over the past eight years.

"Boys & Girls Clubs of the Suncoast has nine clubs in Pinellas County, serving approximately 6,000 youth each year from Tarpon Springs to south St. Pete. Their mission is "To inspire and enable all young people living in Pinellas County, especially those who need us most, to reach their full potential as productive, caring, responsible citizens". This is accomplished with tested and proven programs, trained professional staff and experience that has provided more than a century of hope and opportunity for our youth.

"Boys & Girls Clubs of America has a national partnership with Kiwanis. Locally we are excited about the opportunities this holds for both Boys & Girls Clubs of the Suncoast and the local Kiwanis clubs.

"A new Boys & Girls Club national marketing campaign is about to be released entitled 'BE GREAT'. BE GREAT is a theme which communicates that within every child, there is the potential for greatness. The campaign reminds our audience of the role they play in helping youth succeed: BE part of it!"
