Soling	_____	_____
36/600	_____	_____
Marblehead	_____	_____
EC-12	_____	_____
Seawind	_____	_____

Acceptance of an application for membership in the NMYC is subject to approval of the Club's officers, payment of an administration fee of \$10.00, and annual dues of \$15.00, and a photocopy of your current membership in the American Model Yachting Association. Since the NMYC is a long sanctioned AMYA Club and supports the national organization, we require all our members to be certified also. All sailing is governed by the Club's By-Laws and boat class specifications are defined by the AMYA.

New Members acquiring new boats or previously owned boats must clear any frequency with the Frequency Coordinator when sailing unless a multi channel Spectrum is purchased. Since we have a large active membership roster, a change to new crystals on any day you are at the lake may be required. The Club has promoted the idea that each member should have in his possession several frequencies to choose from and be willing to share same with another skipper.

Your check for \$25.00 should be payable to: Naples Model Yacht Club and sent to the Club's Secretary/Treasurer:

Alex J. Sanders
315 Dunes Blvd. #502
Naples, FL 34110
