## Kiwanis Sponsors Children's Health Fair

Photos/text by Sandi Fahy

**Jose Vasquez, 5, gets a dental checkup by Dr. Nicole Gordon while his mom, Alicia Pedraza, and sister, Joselin Vasquez, look on at left at the 15th Annual Children's Health Fair at the Long Center in Clearwater on July 26. The event, which was sponsored by the Kiwanis Club of Springtime City, also featured eye exams, immunization shots, health screenings, scoliosis spinal checks and sports physicals.**

Handing out T-shirts to the volunteers at the Children's Health Fair at the Long Center last week are Kiwanians (from left) Heather Urwiller, Adam Plutchok, Diane Urwiller, Daryl Waterman and Kathleen George. George is president-elect of the Kiwanis Club of Springtime City in Clearwater, which served as sponsor of the 15th annual event. Plutchok, president of the Kiwanis Club of Greater Clearwater, was there to lend his assistance along with other members of his club.
