

Meet the Speaker

Michael Poggi is a nationally recognized public speaker and professional investor with nearly two decades of experience. Michael specializes in many aspects of commercial real estate, vacant land, and foreclosed properties. He is the president and founder of The Millionaires Real Estate Investment Club, based in Ft. Lauderdale, Florida. It is the largest commercial real estate club in the state of Florida, meeting on a monthly basis to network and partner on real estate ventures of all sizes. The club also attracts top notch speakers from all around the country who are featured monthly to provide additional education to the group. Michael is a featured guest on the Money Talk radio show held each Saturday. His company, Build Wealth with Land, LLC., is one of the largest land providers in the U.S., selling hundreds of vacant lots monthly to investors and builders.

Michael is an energetic and electrifying speaker with a knowledge of building wealth—*headache free*—that is unparalleled in the industry.

Michael would like to speak to your club about both of the topics below on separate occasions:
