### **Wilkins Nights:**

Planet X - 53 kids

Zio Johno's Night - we should make about \$300 on this. ☺

Collins Road Movies - not a fundraiser, just a fun time of Wilkins community gathered together for a movie. It would cost about \$7 for movie and popcorn per person. Need at least 50 people to make it happen for whatever movie they have going on. Need at least 100 people if we pick the movie we want shown. Dates available in January and beyond.

### **Lap Attack wrap-up:**

The week of homecoming means the athletes & cheerleaders are not available to come and be a part of the day's events.

Possibly have the specials teachers "spice" the day up with games and activities; divvy up the jobs & responsibilities.

### **Welcome School Board President, Tim Isenberg:**

Board objectives - superintendent search is underway. Hired a search firm to figure out what we want as a district. We should have the new superintendent ready to announce around Thanksgiving time. The candidates have been confidential, per the suggestion of the search firm. July 1<sup>st</sup> is start date for superintendent.

High School remodel - first phase is almost done. Four science rooms have been updated. Second phase - north and south entrance, will be secure; updating the space to be open and collaborative spaces. English wing will have air conditioning. Fall of 2016 is goal date for the second phase to be complete.

21<sup>st</sup> Century Learning - Professional Learning Community (PLC) is part of this and has already begun at Linn-Mar.

Coffee & Conversation - where the school board president and two board members meet with Linn-Mar community members to discuss current district events & happenings.
