Principal Report

Early Literacy Testing just finished up in beginning of February. This is part of the legislature that was passed.

We use a FAST test – state approved. We monitor our kids' progress in different areas. We want to make sure these kids are meeting benchmarks. If kids aren't meeting benchmark scores we want to provide interventions for those kids. What this means – if kids are substantially deficient a parent letter will be sent home and signed. We will discuss this more at conferences.

Report cards will be coming home.

Mr. M- just finished administering surveys on school climate and what can we do to make improvements with our students.

We are also looking closely at our PBIS data.

Treasurer Report:
