

Wilkins Elementary Penny War!

April 16th - May 3rd

Put your spare change toward a great cause. All proceeds from our penny war fundraiser will go towards new books!

Pennies are “positive.” Dollars are “negative.” Here’s how it works:

- Grade level containers are located in the lunchroom.
- Each penny or silver coin counts as one positive point per cent for YOUR grade level. penny = 1 point, dime = 10 points, etc.
- Each dollar bill counts as negative points for OTHER classrooms. In other words, dropping \$1 in another grade level’s container will be a negative 100 points for them.
- At the end of the day on May 3rd, all change will be counted and the grade level with the most points will win a free recess and special treat!

You are receiving a baggie to begin your collection. Once you have change to donate, bring it in to your teacher. It will be added to the jar and your baggie will be sent back home in case you choose to keep collecting.

The jars will be on display during the Carnival on 4/27, so be sure to swing by and check out the competition!

We appreciate you sharing your spare change to such a great cause! Don't forget to ask your family and friends if they can spare some change.
