Class lists are getting started and step up day will be coming soon. Backyard Bash is the Friday before school ends. If you have a Kindergartener, K-camp will be the same day as registration.

Committee Reports:

- Staff Appreciation – We wrapped up this year with Teacher Appreciation week – providing breakfast all week and a lunch on Wednesday.
- Box Tops – We are collecting the last of the box tops for this year and then sending all of those in.
- Campbells – I am also collecting the last of the campbells labels and finishing out the program since it's ending nation wide.

- Restaurant Nights - Once we get the check from Cheddars we should make budget. We will be keeping a lot of current nights but will be adding ones like Jimmy Johns.
- HyVee Receipts - \$2,136 total so we are under budget
- Finance – We had our last meeting of the year and decided on next year's budget.
- Carnival – Carnival did really well. We made budget in every area.
- Next year's committees - If anyone has any interest, positions are available on Facebook. Fitness Night needs a chair.

New Business

- Budget – We are losing \$1,000 and Hyvee receipts have dropped about \$500. Because of this the budget has been shifted – lowering doughnuts and drop off and PBIS.
- Vote – Kim motions to approve next year's budget, Shannon seconds, all in favor, budget approved.

Kim motions to adjourned - Meeting is adjourned at 6:48pm
