COOKBOOKS Wilkins Cookbooks are in and if you placed an order, your book(s) will be going out soon. If you forgot to order your copy, it may not be too late. We still have copies available at \$6.50 a piece, first come first served. Thank you to all who sent in recipes. It's a great collection. Kudos to Michelle Heidelbauer & Shelly Beaver for heading this project. Contact them for additional information about orders.

THANK YOU! ...to all who helped provide nutritious snacks to our kids this month during I TBS testing. Desiree Fernandez did a great job organizing, as did Linda Kahler, her co-chair. Thank you to Tracy Read, Deana Benson, Theresa Jones, Gretchen Ulmer, Cathy Swenson, and Mary Lukefahr for financial support. Desiree, Linda, Deana and Tracy put all the snacks together for delivery. There were several donations from Wilkins' families of food for the snacks—many anonymous—so thanks EVERYONE!

Read & Feed Beth Anderson and Michelle Dalton put together a fun family event at Wilkins: the Read and Feed "Fall into Books." Thank you to all who volunteered to read and/or serve food. We had a good turn-out despite a blustery night. It was a wonderful opportunity for us all to promote reading with our kids!

CRAFT CLUB Michelle Dalton has been "craftily" helping groups of 3rd-5th graders enjoy an indoor creative alternative to recess over the past weeks. Many interested kids in the upper 3 grades have been enjoying creating with Michelle and the help of Deana Benson. Thanks, ladies!
