Dear Spelman Sister,

Since 1892, the National Alumnae Association of Spelman College (NAASC) has provided, encouraged and promoted the growth and development of Alumnae through leadership opportunities and partnership alliances.

Last year, we had 1, 074 strong financial, effective voices for the issues that impact the educational and operational quality of Spelman college and other HBCUs, the quality of life for women of African descent, and their local communities -- in all 50 states.

For fiscal year 2008 - 2009, the NAASC actively seeks to involve all former students, faculty, staff, Trustees and graduates in the fulfillment of Clara Howard's initial vision.

Your generous financial gifts (through membership dues and donations to the NAASC's Student Emergency Fund) sustain the capacity of the NAASC to provide student recruitment, sisterhood, community service, and recognition of Spelman women.

Your membership in the National Alumnae Association of Spelman College is the source of our strength. **Your membership is important to us, both for financial support you give and the moral support it represents. Please renew your membership today online at: www.naasc.org or via the mail.**

In Sisterhood,

Kim Toliver, C'93
NAASC Membership Chair

P.S. I look forward to meeting you at Homecoming weekend, October 25, 2008!
