“The best kind of sleep under heaven above, is under a blanket handmade with love...”

Our "Kids Helping Kids" program has enabled your child to comfort a child in crisis with the gift of a handmade blanket. Project Linus is a nationwide, 100% volunteer organization that collects handmade blankets and donates them to critically ill and traumatized children.

Our chapter supplies blankets to numerous child oriented shelters and service facilities and many local hospitals, including:

*Evanston, Children's Memorial
Lutheran General, St. Alexius
University of Chicago, N.W. Community
Mt. Sinai, Rush Presbyterian
St. Anthony & Illinois Masonic*

"A machine made blanket keeps you warm, a handmade blanket warms the soul."

"The comfort brought to a child by a Project Linus blanket should not be underestimated."

Carol Babbitt, P.L. National President
