Young Authors

Young Authors will look different this year! In the past, students have written stories and published them in a hard cover book. This year we are using our writing program "Being a Writer" to be the basis of Young Authors. Students also will use a variety of publishing tools instead of the hard cover books. Please look for more information coming home from your child's teacher in the next week or two.

Young Author's Celebration/Scholastic Book Fair/ Music Program for 1st, 2nd & 4th Grades

PTW UPDATE

Donations @ Work!

So what does the PTW do with the money we raise? Our goal is to enrich the educational experience at our school. Some ways are more visible, like purchasing equipment, others occur daily at our school, though you may not know it.

One example is our Teacher's Resource. We have a wonderfully talented parent who works with the students of all grade levels. For the past 6 years the PTW has provided funding for Linda Dearman to help our teachers by working with students who need a little extra help, either one on one or in small groups. Linda is particularly talented at helping students grasp new material like our fast moving Everyday Math program or to help give evaluation tests in reading. Learn more about Linda, and this terrific resource that is benefiting our students in a very special way, go to our website listed below and follow the link to "Donations @ Work". Read or download her story, and see the other parents who share their talents with our students, such as our Art Awareness instructors and Computer Lab aide.

Volunteer Hours

Wayne School has accumulated over 1,200 student contact volunteer hours so far this school year!! This number represents time that adults spend working with students.
