

# Summer 2006 ....The Long Overdue Edition

## Recent Happenings

- ◆ At the annual meeting on June 6th, Brian Craighead was re-elected as Treasurer for Indy Tres Dias. Congratulations Brian and welcome back.
- ◆ Sub-Committees have been discussed at length by the Secretariat and they are becoming a reality. Some current examples are the website sub-committee and newsletter sub-committee. Other possibilities are kitchen supply buyer/planner. Set up & tear down sub-committee for the weekends. If you have an idea for a sub-committee or if you would like to get more involved, plan on attending the Secretariat meetings for more info. Currently they are at 7 PM, on the 2nd Tuesday of each month at Wallace St. Church but this is very subject to change due to fluctuating schedules. Check the website or call any member to double check.
- ◆ The new team books are here. You know how it seems that every time a new weekend gets started, we can never find the team books when we need them? Well Tres Dias International has developed a new guide book which incorporates the newly formatted Rollos, Lay Members guide, and Spiritual Leaders Guide. In short, it simplifies and consolidates the information needed to put on a weekend in one place: The Team Book. What this means for us is that every team member will purchase their own copy to keep and reuse it for each weekend. Indy Tres Dias has the books available for the next Men's & Women's teams. The Rector & Rectora will have more information about this at the team meetings.

## NEXT WEEKEND DATES

*Greetings Everyone,*

*Hope the summer is finding everyone in good spirits, happy and not too sunburned. I would like to invite everyone to our upcoming Leaders School this July 29<sup>th</sup>. This will be a good time for many of us to "hook-up" again. I'm promising this Leaders School will be quite informative. There will be a special guest and his wife. Let's have a great turnout and show them what Indy Tres Dias is made of. There will also be a Power Point presentation which will show some of the buildings that were used for the first few Cursillo Weekends way back in the 1940's. Enough about that for now, there is more information on this School elsewhere in this publication.*

*Hope to see everyone July 29<sup>th</sup> and everyone be Blessed. Love and Peace in Jesus.*

*Steve Myers*
