

Nestlé Pure Life has a program entitled **Go Play!** This program offers schools the opportunity to earn points for sports equipment by submitting labels from the following products: Nestlé Pure Life Purified Water, Nestlé Pure Life Natural Fruit Flavored Water Beverages (Splash), and Nestlé Pure Life Green Tea Refreshers.

RVH PTO is now collecting the Nestlé Pure Life bottle labels. Only individual bottle labels are eligible, not the outer wrappers from the multi-packs.

A container has been placed by the front doors at RVH for the labels. The program requires the entire label be turned in. Labels for this school year will be collected until school is out.
