Principal's Message

Our recent PTO Cake BINGO was a huge success thanks to the efforts of everyone involved. PTO members worked extremely hard to prepare and coordinate the whole event. Teachers came to work and participate. Teachers and students worked together to create the awesome auction items that brought in so much money. Parents and family members came to play and buy auction items. Many more parents sent donations of cakes and concession items which enabled all money raised that day to be profit. Our Student Council members worked hard to assist the BINGO winners and deliver cakes. Numerous other students showed up to play and have a good time. Even Police Chief Rick Coleman offered his services as an auctioneer. What a wonderful example of our whole Eaton Park community coming together for the good of the school! I am extremely proud to be the principal of this fine school. I wish everyone well as we head into the summer. Please let me know if I can be of assistance to you in any way.

Sincerely,

E. Paul Hebert
Principal

Grade Level—Blogs

**One more way teachers and parents can stay connected on what's happening this month:
Here's what's going on at your child's grade level this month:**

Kindergarten Blog

We are so excited for DJ Toups to have the Kindergarten pillow and duffle bag set from the auction. Thank you to DJ 's grandmother and all of you who went to the Bingo or donated items, what a great way to show Eaton Park pride.

We are also proud of our top 5 accelerated readers in kindergarten.

They are Madison Thibodeaux, Anna LeBlanc, Tommy Nguyen, Emily Mudd, Cassandra Duck, these students will be going on a fieldtrip to the library on May 14th.

Kindergarten end of the year ceremonies will be held in the gym on Tuesday, May 27th at 9:00 am. We encourage all of the parents to come and cheer on your favorite student for completing a year of kindergarten. Our lunch will follow the ceremonies, therefore we do not have time for a party, but we do welcome parents to follow us back to our classroom for photos and a quick congratulations.

Remember to read, read, read over the summer.

The public library has great resources for parents during the summer and its all FREE!

1ST GRADE BLOG

First grade would like to thank all the first grade parents for their donations to be able to create the basket to be auctioned for cake bingo. It was a big success! We are learning much about animals in class and are looking forward to our field trip to the Acadiana Zoo on May 9th. We are also excited about the A.R. carnival and reading many interesting books. We are working hard as we anxiously wait for summer! Thank you for all of your support this school year!

3RD GRADE BLOG

With very few days left of school, the third grade teachers are proud to say that our students have truly blossomed. As a whole, this class is very energetic and a pleasure to work with.

What's to come!!! In Social Living we will be studying Weather. There will be many fun experiments. Have your child watch the weather to better understand how what we are learning relates to the real world. In Math our third graders are learning division. Quiz your child to see how familiar they are with their division facts. Dibels testing was April 28th. We have many students who have benchmarked in third grade! Great job third graders.

THE WINNER IS————— MRS. SHANA LEBLANC'S 2ND GRADE CLASS
