

MINI-PROFESSIONAL DEVELOPMENT INSTITUTE (PDI) SUPPORTS LOCAL COMMUNITY

The American Society of Military Comptrollers (ASMC) Chesapeake Chapter hosted its very first Mini-Professional Development Institute (PDI) on January 26, 2012 at Bulle Rock located in Havre de Grace, MD. Over 150 resource management professionals from across APG attended the event to hear from speakers on various Resource Management and Acquisition topics, learn about professional development opportunities, and be inspired by motivational speakers. The event raised \$7,190 for the Boys and Girls Club of Harford County, who was able to match the amount and make a contribution of over \$14,380 to the State of Maryland STEM (Science, Technology, Engineering and Math) educational program in behalf of the Boys and Girls Club of Harford County. Overall the event was a great success, and the Chesapeake Chapter looks forward to more Mini-PDIs in the future.

Those interested in becoming an ASMC Chesapeake Chapter member should contact Connie Lucas at 443-861-6947, or connie.m.lucas4@mail.mil. ASMC is a non-profit educational and professional organization for military and civilian personnel involved in the overall field of military comptrollership. (<http://www.orgsites.com/md/asmc-chesapeake/index.html>). Registration details will be coming soon!
