

Adam & Eve

Directions: Place your markers on the "START" space. The first player rolls a die and follows the directions on the space they landed on. If they land on "Draw A Card", the player to their right draws a card and reads the question out loud. (If they cannot read, the teacher or someone else can read it for them). On each card is a question about Adam & Eve. If they answer correctly, they move ahead 1 space. If they are not correct, they stay where they are. The first player to FINISH wins. Continue playing to find out who comes in second, third, fourth, etc. place.
