

ADVENT WREATH

OBJECT OF GAME: To color all of the Advent wreath correctly.

MATERIALS NEEDED: File folder game board, copies of the Advent Wreath Coloring Sheet, 2 small baskets, cards, markers, die, and crayons.

TO PLAY: Place 2 small baskets or boxes on the table to put cards in. Put the cards in one basket (the other basket will be for discards). Give each player a copy of the "Advent Wreath Coloring Sheet". Place your markers on START. Roll the die and move that many spaces. Follow the directions on the space you land on. If the player lands on a "?", they draw a card and they can color one of their candles on their Advent Wreath Coloring Sheet the correct color. If they do not need that color on their wreath, they do nothing. If a player lands on a space with the leaves, they may color some of the greenery on their wreath. When a player has completely colored their Advent Wreath Coloring Sheet correctly, he/she is the winner. Play continues until all players have colored their sheets.
