Directions: Place your marker on START. Determine who goes first and play moves clockwise. The player to your left draws a card. On most of the cards are questions about the disciples. If you answer the question correctly you get to roll the die and move the number indicated on the die. If you answer the question incorrectly, you stay where you are. If the card says "Go Back 2" etc. you must follow the directions. If you land on the picture of a rooster, you lose your next turn. If you land on a space with a letter on it, the player must name a disciple whose name starts with that letter (Matthew 10:2-4). If the disciple has already been named earlier in the game, the player must identify another disciple starting with that letter. If the player is wrong or names a disciple that has already been specified, the player moves back to where they were. If all the disciples have been identified for that letter, then the list can be restarted. The first player to FINISH wins.
