

# *The Holy Rosary*

Directions: **Print game board on legal size paper (8.5" x 14").** This game can be played with 2 players or more as well as teams. Place your markers near the crucifix. The player rolls a die and moves that many spaces starting at the crucifix. The player must then state what you would say when touching that bead, crucifix, or center piece during the Holy Rosary. If they are correct, they stay where they are. If they are not correct, they go back to where they were. The first player to the end of the Holy Rosary wins. Continue playing to find out who comes in second, third, fourth, etc. place.

For those who are just learning the Holy Rosary, give them a hint to help them remember what they should say. Or permit them to use any reference they want. Any attempt allows the player to stay where they are.
