

Honor Your Father & Mother

Directions: God says to "Honor your father and mother". Honoring your father and mother means respecting and obeying them because they are very important people. Place your markers on the "START" space. The players roll a die and follow the directions on the space they land on. When a player lands on the picture of the family, they must state a reason why their parents are important. Example: "I honor my parents because they take care of me." The first player to "FINISH" wins.
