

I Love God Above All Things

Introduction: We are to love God above all things. We cannot value money, power, TV, music, video games, homework, friends or other things before our relationship with God. Can you put God first in your life?

Directions: Four cards are dealt to each player if three to six players are involved. With only two players, five cards are dealt to each. All remaining cards are placed face down in a draw pile. Randomly choose a player to go first. On your turn, ask for a specific card. You must already hold one of these cards. For example: "Charlie, please give me the cell phone." If Charlie has it, he gives it to you and you go again. Otherwise, he says "Go Fish" and you draw from the draw pile. If you happen to draw the card you asked for, you get another turn. If you draw anything else, it is now the next player's turn. When you collect both cards, immediately show the set to the other players and place the cards face up in front of you. When the draw pile runs out, keep playing until all of the cards have been made into sets of two. When the draw pile is exhausted, no one says "Go Fish." If you ask someone for a card she doesn't have, it becomes her turn. The first player who runs out of cards says, "I love God above all things" and is declared the winner.
