

# Last Supper

Object: To reach Last Supper (center) first.

Materials Needed: 2 small baskets, die, markers, question cards

Playing Directions: Put the Question Cards face down in one basket (the other basket is used for discards). Divide class into 2 or 3 teams, or play in groups of 4 or less. Each team puts a marker on any "START". The first team has the team on their right draw a question card which is read out loud. If the first team answers correctly they get to roll the die and move around the game board on the outer row (any direction they want, but it must be in one continuous direction). If the marker lands on a colored space, move in one row toward the center with "Last Supper". If the team does not answer the question correctly, they do not roll the die. Play goes to the next team. Play continues until a team or player reaches "Last Supper".
