

Leaping Frogs

Directions: The objective of the game is for the player (the frog) to get to the Pharaoh's Palace first. The players roll a die and follow the directions on the space they landed on. If the player lands on a space that is already occupied by another, BUMP that player back to the START space. The first frog to the Pharaoh's Palace wins. Continue playing to find out who comes in second, third, fourth, etc. place.
