

Led by Moses, the people walked for weeks across the desert. They were hungry and they grumbled.

1

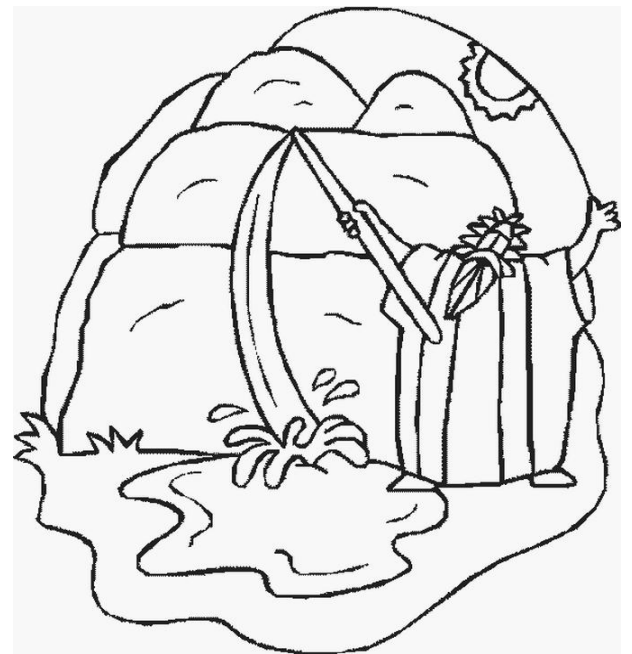

God heard the people and he gave them meat to eat every evening. Flocks of quails came and they were easy to catch.

2

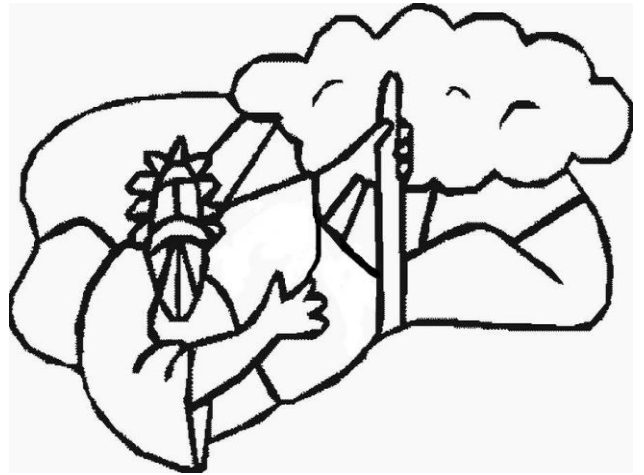

In the morning, the ground was covered with small white seeds. The people ground them into flour and made manna.

3

They were thirsty so Moses struck a rock with his stick. A stream of water gushed out.

Directions

Numbered pages:

Color pictures and cut on the dotted lines.

Stack up the pages so they are in order. Trim.

Cover:

Color and print your name at "Colored by". Cut along the dotted line. Fold in half to make a book with the cover on top.

Assemble the book:

Open the cover page (like a folder) and slip the pages inside so that when you open the cover you'll see page 1. The edges of the pages will go against the folded part of the cover.

Close the cover page and tap the book so everything lines up.

Put two or three staples along the edge to hold the book together.

Trim again, if needed.
