

**A horrible darkness
lasted for three days.**

**A terrible fiery
hailstorm came.**

**Egyptian animals
began to die.**

**Gnats tormented
the Egyptians
and their animals.**

**Water turned
into blood.**

**The eldest child of
every Egyptian died
one night.**

**Clouds of locust
ate up what the
hailstorm had left.**

**Egyptian people were
ill with horrible sores
(boils) on their bodies.**

**Flies filled
Egyptian homes.**

**Frogs swarmed
out of the river.**
