

# Potty Mouth

Introduction: Using the Lord's name in vain is like fingernails scrapping down a chalkboard. God hears us when we take his name in vain and it must break his heart when his name is used in such a manner. This game focuses on how we sometimes do not have respect for God and God's name.

Directions: Place your marker on START. Players roll the die and move their marker that many spaces indicated on the die. If you land on the picture of a toilet plunger, things have backed up and you must back up 2 spaces. Land on the toilet paper, you lose a turn. If you land on the picture of the toilet brush the player to your left draws a card and reads it out loud. On each card is a question about the 2nd commandment: Thou shall not use the Lord's name in vain (Catholic). If you answer the question correctly, you stay where you are. If you are not correct, you must move to the urinal for having a potty mouth. On your next turn you are asked another question and you cannot move off the urinal until you answer a question correctly. If you answer a question correctly, you may resume your position on the game board. If a player lands on a picture of a toilet bowl cleaner, they must change places with the player that is positioned last on the game board. The first player to FINISH wins.
