

# The Promised Land

Directions: The objective of the game is to collect the most Manna and Quail cards and get to the Promised Land. Place your markers on the "START" space. The players roll a die and follow the directions on the space they land on. If they land on a Manna or a Quail space, the player to their right draws a card and reads the question out loud. (If they cannot read, the teacher or someone else can read it for them). On each card is a question about Moses and the Israelites out in the wilderness. If they answer correctly, they receive a Manna or Quail card (which ever space they landed on). If they are not correct, they do not receive a card. Younger players do not have to answer a question and automatically receive a card. If a player lands on a space that says "Return a Card", they must return 1 card to the pile. Players must collect as many Manna and Quail cards as they can as they move around the board to the Promised Land. As each player reaches the Promised Land, their cards are counted. Whoever has the most Manna and Quail cards, wins.
