

Kindness can be contagious. The smallest and most simplest acts of kindness can make a difference in someone's life in a very big way.

Directions: Place your marker any where on the game board. Roll the die and move clockwise that many spaces. Read out loud whatever is on your space and say whether it is a Random Act of Kindness or not. If it is a Random Act of Kindness, receive 1 Random Acts of Kindness token (or milk cap, poker chip, etc.). If it is not a Random Act of Kindness, lose a token. When the player receives 10 Random Acts of Kindness tokens, they work their way around the board to "Spread Kindness". Players must roll the exact number to "Spread Kindness". Continue playing to find out who comes in second, third, fourth, etc. place.
