

## The Heart Breaking Puzzle

Carefully cut out the pieces of the heart puzzle. Use all nine pieces to make as many interesting shapes as you can. (The pieces must be placed edge to edge and can't overlap.) Make a record of your shapes by drawing their outlines on a separate sheet of paper.

Challenges:

1. Reassemble the heart.
2. Make the two shapes shown at bottom right.

### Challenges:

1. Reassemble the heart.
2. Make the two shapes shown here.
