

The Holy Trinity Ring Toss

Materials: 3 paper plates, 3 toilet paper rolls, 3 rings (large plastic lids with the middle cut out, etc.), hot glue gun, chair

Directions: Decorate toilet paper rolls and paper plates. Hot glue one toilet paper roll in the middle of a paper plate. Arrange all three into a triangle on the floor.

Place a chair a few feet away from the paper plates (distance according to the student's abilities). Divide the students into teams. Have the students toss 3 rings from behind the chair. Their goal is to put one ring on each to emphasize "The Father, the Son, and the Holy Spirit". If they put one ring on each, they earn a point for their team. Keep score on the board. The first team to 5 wins.

*You might have to tape down the paper plates to the floor to keep them from tipping over.
