

Who am I?

Directions: Place your markers on START. The player rolls a die and follows the directions. If you land on a space with a person's job description (even if you were told to go back) you read it out loud and you must say who that person is. If you are correct you stay where you are. If you are not correct you go back two spaces and read that job description and say who that person is. If you are correct you stay where you are. If you are not correct you go back two spaces, etc. The first person to move around the board and land on FINISH wins. Continue playing to find out who comes in second, third, fourth, etc. place.
