### SERVICE ON A TEAM

Probably the majority of us would like to serve on a team and for most, it is a wonderful experience. There are, however, factors about service on a team that should be considered. Just as we say EMMAUS is not for all, serving on a team is not for everyone who has attended an EMMAUS weekend. Remember, it is very important for team members to be active in their local churches to better enable them to share and model that Fourth Day experience with the Pilgrims.

First, it is mathematically impossible for everyone to be selected. On each weekend, there are more new members of the EMMAUS community produced than would be required for a future team. The committee responsible for making up teams earnestly tries to see that everyone has a turn, but it must work within certain guidelines. One of the guidelines is that a team should have built-in experience. The Team Selection Committee will strive to staff each team with approximately one-third new conference room team members, one-third second or third time team members, and one-third veterans. An effort must be made not to have too many members from the same church. This is sometimes difficult but the effort is still made.

In addition to the guidelines that the committee follows, there are factors you should consider. First, beyond the lay director, assistant lay directors, music director, board representative, and spiritual directors, people are NOT selected for specific jobs. No one has authority to promise you a particular responsibility. Everyone must be willing to serve in whatever capacity is needed. If you accept a team assignment, you are making a commitment to be available for that weekend – and for required team meetings and/or team retreat weekend before the actual walk weekend. AVAILABILITY AND SACRIFICE OF TIME ARE THE REAL REQUIREMENTS.

Finally, each of us must take into consideration the physical or emotional strains that are sometimes encountered while serving on a team. The joy of being on a team is there, but the work and strain are there too. Team members routinely are the first up in the morning and the last in bed at night. Working under pressure is also routine. Everyone on a team must carry her/his full load and be ready to pick up part of someone else's work when something unexpected happens – and it almost always does. Then every team member must be ready, willing, and able to share her/his faith and love with any and all others on the weekend – literally at any time.

Again, the joy and the mountain top experiences are there, but so is the climbing and so is the giving – all weekend long. If you decide that being a team member is not for you, there are many other areas of service in the EMMAUS community. You may want to put more effort into agape, serve on a committee, or accept other important jobs that are necessary for a successful EMMAUS weekend. There is so much to be done that there is no limit to the opportunities for service. Being on a team may or may not be the best way that you can serve – only you know this. If, after praying about it, your answer is YES, please complete the application on the other side and send it to SOUTHERN MARYLAND EMMAUS at the address below. Serving on a team will be a blessing to you and you will be a blessing to others. You are needed! DeColores!

**As a team member, I WILL NOT sponsor a pilgrim during a weekend that I serve on.**
