

## ADDENDUM F: COACHES COMPETITION FEE POLICY

### ***Out of town competitions***

#### Solo, Couple, Pair events

1. **HOTEL EXPENSE:** My hotel cost is covered by the parent(s)/skater(s) attending the competition. I agree to stay at the hotel the BRFSC has blocked rooms w/ or a hotel w/ an equivalent rate and I will stay only the minimum required days that I am needed for my competitors. Anything above and beyond this results in my making up the difference in cost. My process to calculate the hotel fee is:

$$\left\{ \begin{array}{l} \text{My total hotel cost (including taxes)} \div \text{Total \# of events (excluding interpretive) my} \\ \text{skaters are skating} = \mathbf{X} \\ \mathbf{X} * \# \text{ of events for a single competitor} = \text{Fee for that skater} \end{array} \right. \}$$

2. **MILEAGE:** I will charge \$0.30 per mile, round trip, to be divided amongst all of my skaters competing.
3. **PER SKATER FEES:** There will be a \$20.00 per skater fee. This amount is to be divided between skaters competing in partnered events.

#### Teams

1. **HOTEL EXPENSES:** Teams will pay for 1 night of hotel expenses per event IF the second and beyond event(s) requires the team coach to stay in the hotel a second night.
2. **MILEAGE:** Teams will be charged \$0.30 per mile, round trip.
3. **PER SKATER FEES:** There will be a \$60.00 per team fee.

In the event that a coach has a team and individual skaters competing on the same day, the team will pay ½ of the hotel expense and ½ of the hotel expense will be divided between the individual competitors.

### ***Home competitions***

#### Solo, Couple, Pair events

1. **HOTEL EXPENSE:** There will be no need for me to stay at a hotel during a home competition.
2. **PER SKATER FEES:** There will be a \$20.00 per skater fee. This amount is to be divided between skaters competing in partnered events.

*Approved by the BRFSC Board July 2004. Revised October 2005.*
